Dear Product Repurposing Solutions Inc.,

Richmond Jewish Day School is a small independent school dedicated to providing a stimulating education infused with Jewish values, academic excellence community responsibility and vibrant Jewish Living. We honour each child's individuality in our small haymish environment, offering an exceptionally personalized education.

On behalf of the Richmond Jewish Day School Community; our students and their families, administration, teachers and staff, we would very much like to thanks you for your kind and generous donation of the computer monitors in support of Richmond Jewish Day School.

Your support helps support the school's education for our families and ensures that the school continues its mission to graduate confident, well-rounded, ethical and independent children who are well prepared to grow into thoughtful, committed and fully engaged members of Canadian communities.

Sincerely,
